

About Us

Bridge The Gap Services provides optimal and comprehensive support to individuals struggling with mental health, addiction, and launching into adulthood. Our wrap around service offers a continuum of care including, in-home and in-community support, hands-on mentoring, collaborative case management, consultation and appropriate referrals, and family coaching.

“

“The Bridge The Gap team has an uncanny ability to connect with adolescents and young adults alike. With strong clinical acumen, they bring sound judgment and creative solutions to client care.”
